

Minutes of the Middle Tennessee Public Purchasing Association

January 17, 2008

President Brian Wilcox called the meeting to order. He welcomed members and guests to the meeting and asked if there were any guests at the meeting. Ellen Philpot and Bill Davis, both with the State of TN Purchasing, were introduced as new employees to State Purchasing. Also James Bell, also with State Purchasing, introduced himself as an old member return after being absent for a while.

After the introduction Brian turned the meeting over to VP of Programs, Kim Hopkins. Kim introduced the guest speaker, Chief Serpas, Chief of Police for Metropolitan Government of Nashville and Davidson County. Chief Serpas gave an interesting and often humorous talk about public service and the gains made by Metro Police Department in crime reduction.

Following, Brian asked if everyone had received the minutes from the December 2007 meeting, and if there were additions or changes that needed to be made. The minutes were approved by a voice vote.

Ken Hackett, Secretary, asked that everyone RSVP to the chapter meeting announcements by the response deadlines so that he may provide NES security with a complete list of expected attendees in advance of the meetings.

Sondra Howe, Treasurer, asked that everyone get their dues in within the first 6 months of the year.

Angie McDonald, Chairperson of Purchasing Month, said she would e-mail the information out to everyone.

Brian then announced that due to the length of Chief Serpas's program that all other committee reports would be given next month.

Robin Deiterich, With State Purchasing announced that an education event "Tennessee, Volunteering to be Green" would be held Tuesday February 5, 2008 at the Hardison Auditorium (on the former T.P.S. Campus). Information about the event is attached to the end of the minutes.

Brian asked if there was any new business that needed to be discussed.

Curry Corder announced that he would be chairing the audit committee this year and asked that any chapter members who would be willing to serve on the committee to please contact him.

The meeting adjourned about 1:00 PM.

Respectfully Submitted,

Ken Hackett, Secretary
